

# *La Ventana at Willow Pond*

## **November 2021 Newsletter**

### *DWD Upcoming Holiday Hours*

Please be advised that the offices for DWD Professional Management will be closed on **Thursday, November 25, 2021 and Friday, November 26, 2021** in observance of the Thanksgiving holiday. Our offices will also be closed **Monday, December 20, 2020 through Friday, December 31, 2021** in observance of the Christmas and New Year's holidays.

However, we will have availability by phone and email on **December 20-22** and **December 27-29**. Therefore, if you need assistance before the Christmas and New Year's holidays, please ensure that you contact us at the beginning of each week as we will not be available on Thursday and Friday of those weeks. We wish everyone a happy and safe holiday season!

### *2022 Assessment Information*

On Tuesday, October 26, the Board of Directors held their Budget meeting to discuss the proposed budget for 2022. After much consideration, the Board voted to increase the quarterly assessment next year. Due to the current rise in the costs for labor, supplies, utilities, and services, this increase was needed in order to balance your budget for 2022. **Therefore, your assessment will increase to \$185.00 per quarter for 2022.** You should receive your new coupon booklets in late November or early December from the Association's bank. If you do not receive your coupon booklet by mid-December, please contact the management office for assistance.

Please direct all concerns to the management company. For ARB requests, please go to the Association's website, [www.laventanaatwillowpond.com](http://www.laventanaatwillowpond.com). Click on "Resident Services" then "Online Forms." Fill out and submit the form prior to making any exterior modifications to your home.

### **COMMUNITY MANAGER**

William Carey Webb, LCAM  
[info@dwdpm.com](mailto:info@dwdpm.com)  
 407.251.2200 phone  
 800.759.1820 fax  
 DWD Professional Management, LLC

 Orlando, FL 32827

### **Board of Directors**

**President:** Sherman Markowitz  
**Treasurer:** Teresa Valentine  
**Secretary:** Daniel Martinez  
**Director:** Magaly Quinones  
**Director:** Dawn Walton

## *Monthly Property Inspections and Notifications*

---

The community management company is tasked by the Board of Directors each month to complete an inspection of all properties within the community. Below is a partial list of some of the violations that they will be on the look-out for during these inspections:

- 1) Lawns that need maintenance or full replacement (weeds, dead spots, irrigation issues, etc.)
- 2) Houses that may need pressure washing or painting. Please be aware if the paint looks faded over 50% of the visible structure, if the concrete blocks are showing through the paint over 10% of the visible structure, or if there are settling cracks throughout the home that require caulking, then we will ask for the homeowner to re-paint the house
- 3) Roofs that need pressure washing
- 4) Fences in need of cleaning and/or repair
- 5) Driveways that may need repairs or pressure washing
- 6) Weeds and grass in flower beds and missing mulch or stones in flower bed area
- 7) Garbage cans visible from the streets
- 8) Roofs with mold or broken/missing shingles
- 9) Parking on the grass
- 10) Commercial vehicles, recreational vehicles, or trailers in driveways

The community management company's staff members will inspect each property from the road in a vehicle, and they will take pictures of any violations. They will not go onto your property to complete their inspection. Please be kind to the inspectors when they are completing their monthly inspections. The staff members will always identify themselves when approached if you have questions. However, please do not approach them in a hostile or negative manner. They are there to complete a job as directed by the Board of Directors and to help the community.

If the inspectors find any problems with the exterior of your home, the management company will send you a letter notifying you of the violation. If you receive a violation letter, please feel free to contact the management company via email or by phone if you have any questions or if you need more time to correct the area of concern. The management company will work with you to make the needed improvements. Communication is very important so we can work together to maintain and improve our property values. Thank you for your cooperation regarding these matters.

## *Payment Plan Options*

---

If you are experiencing financial difficulties or job loss, please contact our office to set-up a payment plan. **It is very important that you contact us to discuss this matter. We cannot set-up a payment plan if we are not aware of your financial situation.**

If you have any other questions or concerns regarding your account balance, please feel free to contact the management office at 407-251-2200 or at [info@dwdpm.com](mailto:info@dwdpm.com).

## *Architectural Changes (Exterior Modifications)*

---

It has come to our attention that some homeowners are not familiar with the steps of the Architectural Review process. That is quite understandable. We would like to take this opportunity to help anyone in our community better understand this process. If you are going to make any changes to the front of your property, including

landscaping changes, or if you intend to make any structural changes to your property (i.e., room additions, pools, screen enclosures), then you will need to fill out the Architectural Review Committee (ARC) application.

These applications will always be available on your community's website and they are included in the monthly newsletter (please see the form below). Please follow the instructions on the form and submit all of the required documents for your requested change. When you are submitting an application to the ARC, remember to include the following:

1. Two (2) copies of the property survey that show the location of the proposed changed, alteration, renovation or addition.
2. Two (2) drawings of your plan(s).
3. Two (2) copies of color samples, if applicable.

Please note that applications submitted by fax or without two (2) copies of the survey, drawing, or color sample will be considered incomplete. If an application is incomplete, it will not be processed and will be returned to you.

If you have any questions, please call us at 407-251-2200, and we will be happy to assist you. Also note that management does NOT approve or deny any of these requests. We collect the applications and then submit them to the community's Architectural Review Committee (ARC). The ARC is a group of volunteer homeowners who review the applications and approve or deny the applications based on your community's written criteria (the architectural guidelines). Per Florida Statutes, this process may take up to 30 days.

As soon as the Committee makes a decision, we will mail you the letter of approval or denial. Please make sure you do not proceed with any improvements until you have heard from the Committee. I hope this helps everyone understand the Architectural Review process a little better. If this still leaves you with any questions, please feel free to contact our management office.

## *Architectural Guidelines*

---

Please be aware that the Board has established the following architectural guidelines for your community:

### **Approved Paint Color Schemes and Shingle Colors:**

The La Ventana at Willow Pond community has several approved color schemes for painting your homes and several approved shingle colors for replacing your roofs available for your review on the community website. Please use the following link to view these options: <http://www.laventanaatwillowpond.com/architectural-change-request.html>.

### **Approved Driveway Color:**

The community has one approved color for driveways – Mindful Gray (Sherwin Williams SW 7016).

### **Approved Fencing:**

The community has three approved types of fencing – white vinyl fencing, wooden fencing (painted white or dewdrop), and black aluminum fencing.

If you have any questions or concerns regarding the process for making exterior modifications to your home, please feel free to contact the management office for further instructions and assistance.

## *Parking Study*

---

Please be advised that the County reviewed the parking situation on the streets within the community by conducting a road study. The County determined that the installation of speed bumps and/or "No Parking" signs was not warranted based on the traffic and parking within the neighborhood. If you have any questions or concerns regarding this issue, please contact the management company. We also encourage you to contact Orange County to voice your concerns regarding this matter.

## *417 Widening Project - Update*

---

On pages 9-10 of this newsletter, please find an announcement from the Central Florida Expressway Authority regarding their schedule for widening the 417 from International Drive to Narcoossee Road. The project has several phases that will impact our area. You may also visit the following website for additional information regarding this project from the Central Florida Expressway Authority:

[State Road 417 Corridor Widening from International Drive to State Road 528 | Central Florida Expressway Authority \(cfxway.com\)](http://cfxway.com).

## *Off-Duty Sheriff's Deputy Patrols and Suspicious Activity*

---

Your community is patrolled several days per month by an off-duty Orange County Sheriff's Deputy. The deputy is on patrol to spot suspicious activity, to help enforce traffic laws, and to help the people in our community and the surrounding areas. If you see the deputy on patrol, and if you have noticed any suspicious activity, please stop the deputy and talk with him regarding your concerns. You should also call the Orange County Sheriff's Department at (407) 836-4357 to report suspicious or criminal activities. **Please be advised that the Sheriff's Department is the only organization charged with the protection of your property, and they are the only organization with the authority to approach and stop these people and their activities.** Finally, please be aware that the deputy is only able to enforce state law and county ordinances. If you see a community violation (i.e., parking on the grass), please call DWD Professional Management to address these concerns. Thank you.

## *Pool Rules*

---

**Please be advised that the pool closes at sundown every day.** No unauthorized people may enter the pool after this time. This is considered trespassing even if you are a resident of the community. This is the law for the State of Florida, and it will be enforced for the protection of our community assets and the safety of our residents. In addition, the Association will pursue recuperating any costs associated with damage to the pool caused by the inappropriate use of the facilities.

Many people ask why the Association has chosen to close the pool at sundown. The answer is simple. **We did NOT choose this time.** The State of Florida decided this for us! **Since there is not enough light per State guidelines, we must close the pool when the sun goes down.**

Next, there is a list of pool rules located in the pool area. Please take a minute and review these rules. One of the most important rules is the age limit for use. If you are under the age limit, ***you may NOT use the pool without a parent or guardian being present.*** This rule will be strictly enforced when maintenance personnel are present in order to ensure the safety of the children in our community. Accidental drowning in a swimming pool is a leading cause of death in Florida for children. Please be advised there are no lifeguards at the pool, and the maintenance personnel are ***not*** trained in CPR or pool safety. Failure to comply with the Pool Rules may also result in you being asked to leave the area. Thank you for your cooperation in this matter. If you have any additional concerns or questions regarding this issue, please contact the management office.

## ***Pool Keys***

---

If you need to obtain a pool key for the community pool, please contact the management office at [info@dwdpm.com](mailto:info@dwdpm.com) or 407-251-2200. The management office will arrange a time for you to pick up your key at their office located at 9419 Tradeport Drive, Orlando, Florida 32827. Pool keys cost \$20.00 each. Accepted methods of payment are check or money order made payable to La Ventana at Willow Pond HOA.

Please bring the following with you to the management office in order to receive your pool key fob:

Owners: You must bring a photo ID.

Renters: You must bring a photo ID and a copy of your current lease agreement.

## ***Common Area Guidelines & DWD Professional Management Office Procedures (COVID-19)***

---

The following rules will be in effect for the common areas of the Association:

- 1. Anyone using this common area does so understanding the risk for being infected with COVID-19 and assumes that risk.***
- 2. While present in this common area, unvaccinated individuals must maintain a distance of at least 6 feet from other individuals at all times, except for those individuals residing in the same household.***
- 3. Anyone violating these rules will be subject to removal and/or subject to suspension of future rights to use this common area.***

We appreciate everyone following these guidelines for the safety of all residents within our community.

In addition to the reopening of the common areas, the management office also has new procedures based on this new guidance at the local, state, and federal levels. Appointments are no longer required to visit the office. **Therefore, the lobby is open from 9 AM – 5 PM Monday through Friday for walk-ins.** You may still contact our office to make an appointment if you would prefer. However, it will no longer be required. We will still require that all visitors and staff wear face masks while inside the management office and that proper social distancing is followed. We also still encourage residents to conduct business online using the resident portal or on the phone as much as possible.

Please be advised that for the time being, all Board meetings will continue to be held via teleconference or videoconference.

We will continue to monitor the situation at the local, state, and federal level and will provide updates to you as needed. We encourage all of our residents to follow the recommendations from the Center for Disease Control (CDC) and the Florida Department of Health regarding COVID-19 in order to limit the spread of the disease and to keep your family and neighbors safe.

Please use the following links to the websites for the CDC and the Florida Department of Health.

**Center for Disease Control:** <https://www.cdc.gov/coronavirus/2019-nCoV/index.html>

**Florida Department of Health:** <http://www.floridahealth.gov/> or call the COVID-19 Hotline if you have questions at 866-779-6121.

If you have any questions or concerns, please contact our office by phone at 407-251-2200 or by email at [info@dwdpm.com](mailto:info@dwdpm.com). Take care, and stay safe.

## *Tax Information*

---

The accounting firm, Cole & Associates, recently completed the Association's taxes for 2020, and a copy is available for your review. The Statement of Cash Flow for 2020 is also available at this time. If you would like to review these documents, please contact our management office by phone at 407-251-2200 or by email at [info@dwdpm.com](mailto:info@dwdpm.com) to make your request.

## *Speeding in the Community/Off Road Vehicles*

---

It has been noticed by the Board Members and many residents that some drivers are not observing the posted speed limit in the community. In addition, residents have reported that individuals are using off-road vehicles in the community. Please be aware of the speed limit, and reduce your speed accordingly. Also, do not utilize off-road vehicles on the community's streets.

Speeding endangers the safety of yourself, your passengers, and others within your community (especially children who may be playing or riding their bikes in the neighborhood). Therefore, the Association installed "Children at Play" signs to help remind residents to watch their speed and to keep an eye out for children playing within the community. We ask all residents to help keep children and all pedestrians safe by not speeding. Thank you for your cooperation with this safety concern.

## *Owner Access Platform*

---

Please be advised that you may utilize an online owner access portal where you may login to manage your account and access community documents. With your Internet-enabled device, you are able to view your current account balance, check your payment history, view your open records and more!

To ensure your privacy, only homeowners whose email address is on file have already received a registration email. **If you have not already provided your email, please email your information to [info@dwdpm.com](mailto:info@dwdpm.com)** and include your community's name, address within the community, and the email address you want on file. This extra step is designed for the safety of your personal information because it allows us to verify each homeowner. Once your email address has been opted into the system, you will receive an email to register. For security purposes, a return email will be sent to confirm you are the owner of that email account.

If you received the registration email but the time has expired and you are in need of a new registration email, please contact our office by email at [info@dwdpm.com](mailto:info@dwdpm.com) with your request. Please make sure to include the email address you want us to use and we process a new registration email for you.

Please check your SPAM folder as it may be filtered automatically. After you click the link in the confirmation email you can create your password and your account will be registered. You will then be able to log into your account using your email address and the password you created when you registered. Please make sure to use Google Chrome which is the preferred web browser for the platform.

We encourage everyone to utilize the new on-line access platform at <https://owner.topssoft.com/DWDProfessionalManagement/Account/Login> in order to review your account balance and obtain information. Please let us know if have not received your invitation to join the platform, and we will help you set-up your account.

## ***Association Payments Via the Payment Portal with Center State and Payment Reminders***

---

If you have set-up automatic payments through the on-line payment system with Center State Bank, please be aware that DWD Professional Management does not have access to that system and any updates needed must be made directly by you. If you have made any errors in terms of the amount of your payment or the frequency of your payment, please login into the portal to make any necessary revisions. Go to schedule payments, cancel the current request, and start a new request with the correct payment amount and/or frequency.

Please keep in mind that the system is automatically selected for monthly payments, so please indicate the correct frequency for your association payments and change as needed. The assessment payments for La Ventana at Willow Pond are quarterly and are due on January 1, April 1, July 1, and October 1. Please also be aware that all on-line payments take 2 to 3 business days for processing before they are applied to your account.

In addition, the on-line payment system is a payment portal only. This system is not connected to the account system with the management company. The payment portal does not have any information regarding your current account balance. If you need your account balance or a full detailed payment history report, you must contact the management company directly.

Finally, please be aware that DWD Professional Management does not send payment reminders by text or email. If you are receiving payment reminders through text or email, this is because you have signed up for it through the online payment portal. If you have signed up for the reminders in error, please login into the portal. Go to notifications and cancel/edit the request and make any changes needed or set-up a new request.

If you have any questions or concerns about the on-line payment portal, please contact the management office for assistance.

## ***Please Do Not Fish in the Ponds***

---

It has been observed that there are individuals fishing in the ponds surrounding the community. This is strictly prohibited. Eating the fish from these ponds is not healthy for several reasons. First, most of the fish in the drainage ponds around Central Florida are genetically modified carp. They have been bred so that they are sterile and cannot breed if they escape the pond and enter other waterways around the area. Another reason you should never eat the fish from these ponds is that these ponds are designed for the drainage of water off of

the roads in the area. These waters are polluted with motor oil, radiator fluid, transmission fluid, brake fluid and any other fluid that may leak from a vehicle.

Finally, even if you plan to “catch and release” the fish, you are on private property and do not have the Association’s or the County’s permission to fish on the property. The insurance policy for our community does not cover any accidents that may occur from these types of activities.

Finally, these ponds may contain dangerous wildlife such as poisonous snakes or alligators. Therefore, for your safety, please obey the “No Fishing” signs and refrain from fishing in the community’s or the County’s ponds. If you see anyone fishing in the pond, please contact the Orange County Sheriff’s Department on their non-emergency line at 407-836-4357.

### ***Please Pick-Up After Your Pets and Dispose of Waste Properly***

---

We understand that many of the residents in our community are pet owners. Owning a pet is a wonderful experience for the “parent” and it brings many joys to you as well. However, having a 4-legged addition to your family also brings many responsibilities.

If your new bundle of joy happens to be a dog, then one of the responsibilities is picking up after your pet. When you live in a community you cannot just let your dog out and then close the door. **Your pet must be on a leash at all times, and any pet waste MUST be picked up and disposed in a waste receptacle.** This is not only a community rule; it is an Orange County ordinance as well.

The Board recently found that residents are disposing of dog waste bags in the storm drains of the community instead of using the doggie stations placed in the community. Dog waste is a hazardous substance and spreads illnesses to others. Placing dog waste in the storm drain is unsanitary and is not permitted. Please refrain from this practice and dispose of waste properly. Thank you for your understanding and cooperation in this matter.

### ***Reporting Street Light Outages***

---

If you notice a street light out on your street, please call Duke Energy at 407-629-1010 to report the street name or section where the light is located. You may also visit the following website to report the outage: <https://www.duke-energy.com/customer-service/request-light-repair>.

# SR 417 CORRIDOR WIDENING PROJECTS: SEGMENT 3

## LANDSTAR BOULEVARD TO BOGGY CREEK ROAD

### PROJECT DESCRIPTION

The Central Florida Expressway Authority is widening State Road 417 (Central Florida GreeneWay) from Landstar Boulevard to Boggy Creek Road in order to reduce congestion and improve traffic flow. This 3.7-mile project will add a lane in each direction, expanding the expressway from four to six travel lanes. Eleven sound walls are proposed in this segment. See the map for proposed wall locations.

CFX is also adding wider median shoulders that can temporarily accommodate additional traffic during emergency response events, such as traffic accidents or hurricane evacuations. This is one of five widening projects on SR 417 between International Drive and SR 528 (Martin B. Andersen Beachline).

### WHAT TO EXPECT

During construction, temporary lane and ramp closures will be necessary to accommodate work. To minimize the impact of construction to motorists traveling on SR 417, lane and ramp closures will not be permitted during peak travel times. There will be night and weekend work on this project.

### WORK ZONE SAFETY

For the safety of motorists and work crews, speed limits will be strictly enforced during construction. Speeding fines are doubled in work zones when workers are present. Motorists are reminded to change lanes for safety when they see Road Rangers assisting other motorists or flashing lights — it's Florida law.

### PROJECT MAP (LARGER MAP ON BACK)

### QUICK FACTS

**Project Timeline:**  
Early 2021 - Late 2023

**Estimated Project Cost:**  
\$87.3 Million
